FUEL YOUR FUTURE

Getting Started Guide

Today's Chefs in Training

Welcome! Follow these four steps to get started:

1

Register

Go to app.culinarymedicineuk.training. Enter your first name, email, and let us know if you have any food allergens.

2

Confirm Your Email

Check your inbox for a message from Fuel Your Future and click “Confirm My Subscription” to verify your account.

3

Explore the App

You're in! Use the top navigation bar to move between Home, Healthy Plates, CMUK Recipes, and Mythbusters.

4

Build a Plate

Open Healthy Plates, pick a style, and tap ingredients to add them. Balance veg, grains, and protein for the best Plate Score.

Your Health Matters

We use your allergen preferences to flag recipes that may not be right for you.
